

PEACH VELVET DECOR

Solid oak doors and oak cabinetry highlight this bedroom decorated in beige. The oak framed headboard and oak nightstands are also standard.

Teton offers a slide-out in every model they build, including the 31' rear kitchen model, shown at left.

The 8-1/2' center slide-out shown below is Salmon Linen in a Memphis model. The full sloping ceiling adds a feeling of spaciousness to the large living room. Oak mini blinds are included with the optional linen decor and compliment the solid oak doors and cabinetry perfectly. Also shown are the optional ceiling fan and 13" built-in color TV.
