

The Williamsburg and Hollywood front living room models also sport the largest bedroom ever put in a Teton 5th wheel. They also feature a vanity table complete with make-up mirror and lights. And like all models, cedar-lined wardrobes with plenty of drawers and abundant closet space are standard. Most 5th wheels feature sliding mirrored wardrobe doors with shelving for linens and towels.

The unique corner garden tub/shower combination has added valuable space to the bathroom area while not sacrificing space in the shower stall. Also shown is the optional skylight over the shower with the shade drawn.
