

***Teton Homes® Rated 'Best Buy' in Fifth Wheel Category by Consumer's Digest/June, 1994***

Long recognized by consumers and our competitors alike, Teton Homes® have now been recognized for our quality and value by one of America's most respected third party critics, Consumer's Digest magazine. Since our beginning in 1967, we've been the manufacturer the industry has been watching for innovations in premium fifth wheel luxury. We not only have the obvious luxury amenities, but the hidden values that go into every Teton® model make the difference when it comes to making the right choice.

The National Statistical Survey shows that Teton Homes® make up 80% of all luxury class fifth wheel retail sales.

Spacious just doesn't describe our kitchens and dinette areas adequately. You have to experience these interior areas to really

WEDGEWOOD DECOR

WEDGEWOOD DECOR

appreciate how well you can be organized — for the "full-time RV'er" or a full summer of travel and excitement. Teton® also offers a Dometic side-by-side refrigerator with automatic switchover.

With Teton Homes®, you'll have all your needs within a step or two. We've engineered every model to utilize interior space for maximum efficiency, adding useful, thoughtful storage throughout.

The "Royal" also offers leather chairs as a luxurious option that fits in

with all decors and surrounds you with comfort. Optional solid oak plank floors and standard day and night shades further accent every "Royal" model.

Climate control testing done by an independent laboratory has proven that the "Royal" has superior heating and cooling to any other RV tested.

***10-Year Ultrastructure Warranty  
Climate Control 70° -30°F with  
Optional Arctic Pac and  
Storm Windows.***
