

Listen to your favorite music on a built-in AM/FM stereo, dual cassette deck, and compact disc player. You can even include a 25" TV in the entertainment center. For your convenience, there are TV and VCR outlets in both the living room and bedroom. A convenient secretary's desk in the large 17-foot long XL slide-out makes it easy for you to catch up on correspondence and take care of business.

"Royal" offers Whirlpool full size spacesaver microwaves and Wedgwood ranges as standard, or an optional Sharp convection microwave with a rangetop and drawer space below.

When it comes to taking your adventures on the road, you'll be pleased with

CHATEAU ROSE DECOR

generous storage capacity in the slide out pantry. Find things fast with the well-placed Lazy Susan and the corner

appliance garage with tambour door. Food preparation will be done in a flash, thanks to the efficiently arranged galley that saves steps yet has plenty of room to prepare even a multi-course dinner. And with the optional Corian® countertop, clean-up will be a breeze.
