

Whether you choose a rear or center kitchen, counter space and cabinets are abundant for all the items you need. Whirlpool full-size spacesaver microwave ovens are standard, with options such as dishwashers available in most models.

Adjustable shelving in the pantry provides the most efficient storage. An optional side-by-side Dometic refrigerator is available in most "Grand" models.

Maneuvering your "Grand" is easy with its 16" tires (triple axle), 6000 lb.

DIAMOND QUARTZ DECOR

axles, 3500 lb. springs and 2-1/2" electric brakes – a better braking system.

There is 275 cubic feet of exterior storage space, secured by 2" thick insulated luggage doors

with vice-action locks, held open with gas struts.

"Grand" Offers a Five-Year Limited Ultrastructure Warranty

Because we build them better, we can provide longer warranties. Our unique construction features mean you will enjoy both a solid and long-lasting ride, throughout the years. See our construction drawing and you'll agree that quality construction today makes for long lasting enjoyment for many tomorrows. Once again Teton® has set the industry standard in four-season living in fifth wheels.
