

On the outside it's just another beautiful oak bedroom cabinet. Inside our shirt closets also provide adjustable shelves and you can even fit a 13-inch TV behind the overhead tambour doors.

Vanity lights and a counter you can sit at make this bedroom one of the most functional you can find anywhere! A brass framed mirror (new for '95) conceals the window above the vanity. "Grand" adds elegance and beauty with solid oak doors and drawer facings.

A 7-1/2 foot slideout offers many possibilities, including the option of a king size bed. The model shown features a 60" x 80" queen bed. You'll also find an 8-foot wide full-length mirrored wardrobe with a shoe shelf - standard.

DIAMOND QUARTZ DECOR

All "Grand" models offer cedar shelves in most wardrobes. Even the bedspreads, curtains and pillow shams have been carefully coordinated to the overall interior color scheme.

A whole-house attic ventilation system cools the roof cavity, making the home easier to cool and eliminates condensaiton while circulating fresh air inside the home. The roof and enclosed basement

have an R-25 insulation value. Comfort up to -30° is guaranteed with the optional Arctic Pac and storm windows, making this a perfect RV for the "Full-Timer".
