TETON'S® "ROYAL" HAS A 10 YEAR-LIMITED WARRANTY ON THE ULTRASTRUCTURE.

Teton Homes® offers a 10-year Limited Warranty on the Ultrastucture of a 1996 Teton® Fifth Wheel, in addition to 10-year warranties included by other manufacturers on selected items.

This warranty is subject to the individual limitations of the specific suppliers involved, and is subject to their rules and guidelines regarding their products. Teton® provides the warranty on the Ultrastucture itself.

Teton Homes® warrants its Ultrastuctural framework, a unique blend of wood, steel and polystyrene insulation for 10 years. The Ultrastucture includes the stacked 8" I-beam frame, the sidewalls, and roof structure. If, during the ownership of the original buyer, any part of the Ultrastucture fails to perform properly because of faulty workmanship by Teton Homes®,

it will be replaced without charge for either parts or labor if the proper warranty claim procedures are followed. All other items are covered under the standard Teton® One-year Limited Warranty unless otherwise indicated. See your owner's manual and warranty booklets for further details.

This illustration is representative of Teton's® Royal™ 1996 construction, and is not intended to represent any specific model. Due to Teton's® continual product improvement, specifications and features are subject to change without prior notification or obligation. Not all options or combinations of options are available on all floorplans.
