

Prestige

The Full Measure of Comfort

*Featuring the 35'
San Antonio III Prestige
with Sparkling
Champagne decor*

Page 12 & 13 lower left.

The Prestige exterior, like the Royal and the Grand consists of the smooth molded Polar white gelcoated fiberglass with large radius aerodynamic corners. The exterior graphics feature a teal green and marlin blue design.

At left our oak *dinette with inlaid beveled glass top*, brass octagon light above and pleasurably appointed surroundings makes a delightful setting to entertain your guests.

Our Prestige models also feature the radius knick-knack shelves with the brass galley rails. The entertainment center, features the computer desk and storage area.

Standard in Prestige is a built-in 12 volt AM/FM stereo and cassette player with four ceiling-mounted speakers. Once again, this model features the large bay window, for enjoying the view wherever you are.
