

Teton Homes® rear bay windows will provide visual memories of a life time while giving you a delightfully bright and spacious living area with all the comforts of home. Included are 2 gliding swivel recliners, an 82" hide-a-bed sofa, a handcrafted solid oak coffee table and at least one end table. Individual deluxe swing-arm lamps are provided in each seating area. 12 volt adjustable reading spot lights are mounted under the rear bay window overhead cabinets, with a 12 volt fluorescent light centered above the sofa.

Kitchen features: Include new radius overhead and base cabinets with the solid oak radius shelves and brass galley rails. New optional radius Corian® counter top with an inlaid color accent and matching sink covers. Whirlpool® microwave (optional Sharp® convection spacesaver microwave), 3 burner LP gas range with large pan drawer below and the optional Roper® dishwasher.

Royal offers a limited 10 year ultrastructure warranty.

The ceramic tile floor is a new option for 1997 in the kitchen and entryway. The hand crafted oak cabinetry and other wood furnishings are made with the finest northern red oak.
