

The elegant, rear entertainment center with oval leaded glass doors is new for 1997. Along with the convenient polished brass swing-arm lamps above the swivel glider recliners, Grand also provides you with 12 volt fluorescent lights centered above the sofa and in the smaller slide-out.

All of our interiors are professionally designed with radius lambrequin window treatment, carpeting, plush swivel glider recliners and hide-a-bed sofas, giving you the look and comfort of the finest home.

*A whole-house attic ventilation system cools the roof cavity, making the home easier to cool and reduces condensation while circulating fresh air inside the attic.*

Grand offers a five-year limited Ultrastructure warranty. Because of engineering and quality construction, our 5th wheels will provide you with comfortable living for all four seasons.

Grand's master suite has the most wardrobe and linen capabilities you will find in any RV. As you can see looking from the wardrobe area into the bath, *this master suite gives you a spacious open area to move about.* This home features his and hers shirt closets with drawers below, overhead TV cabinets with tambour enclosure doors, make-up center with cosmetic lights, a make-up drawer, oak framed sliding mirror that opens to reveal a window and a deluxe vanity chair.

*Grand offers a 5 year limited ultrastructure warranty.*
