

Low Profile

Grand's low profile option eliminates stairs between bath and bedroom and creates a ceiling height of 6'7" throughout the suite. It also offers increased height in the bedroom slide-out and enhanced closet space. NOTE: Your truck bed must feature low profile styling to provide necessary truck-to-trailer clearance.

This 40' Cheyenne Grand XT3 is highlighted by bold graphics in black cherry, rosewood and burgundy.

Grand

Grand is backed by a 5 year limited ultrastructure warranty.

Open, spacious Grand bedroom and bath suites feature lavish decors and luxurious features. Included are a fitted bedspread and dust ruffle that coordinate with swag draperies. Designer day/night shades have a black-out feature for complete privacy. The hinged pedestal bed conceals a large underbed storage compartment. This model has optional shirt closets with drawers and a full mirrored wardrobe. King size beds are available in all Grand floor plans.

Sorrento Sea Green decor is featured in this 39' Cheyenne Grand XT3 low-profile bedroom.

Grand sets the standard for beauty with meticulous attention to such details as solid oak dinette slideout trim with fluted flanges and engraved centers and foot blocks. The carved, fluted edge shelf embellishes cabinetry or doors in kitchens and baths.

6'7" Interior Ceiling Height

Abundant storage and one piece molded solid surface lavatory basins and countertops are standard in bathrooms as is a single lever Moen® faucet. A sunken bathtub has a low edge for safer, easier entry. A taller tub enclosure provides extra head room.

Durable dovetailed drawer assemblies are fitted with steel epoxy enameled double roller drawer guides for ultra smooth operation and long life.
