

Prestige

Prestige is backed by a 3 year limited ultrastructure warranty.

A stunning graphics package in blue, teal and light turquoise highlights this 38' Newcastle Prestige XT3.

The Full Measure of Comfort

The entertainment center features a *Sony residential AM/FM stereo receiver with Dolby sound and a 5 disk CD changer.* An optional 27" TV is hidden behind slide-in cabinet doors. *Special cut glass decorator doors add elegance.*

A magnificent island kitchen in this 38' Cheyenne XT3 Prestige offers remarkable storage and work space as well as a Wedgewood range with oven and a Dometic microwave with a turntable. A hinged Corian extension (optional) adds extra counter space. Dishwashers are available in all Teton Homes®.

Entertain in style or relax in luxurious comfort in Prestige's living room. A spacious flush floor slideout houses a 74" hide-a-bed sofa and the dinette table and chairs. Additional standard amenities include an open base coffee table with matching end table and

extra-large insulated dual pane windows with GL 20 solar privacy tinting.

Vintage green decor is beautiful in this 38' Cheyenne XT3.
