

Three In One Floor Plans

Royal
Unsurpassed Flexibility

There are plenty of reasons Teton is America's top full-time RV and one of them is our homestyle Three in One Floorplans. Only Teton gives you flexibility to change your furniture placement along with your mood. The Royal Teton in Moonshadow decor with oak trim on these pages is shown with a rear dining room (far right), a rear living room (top left) and a rear lounge floorplan (bottom).

New to the Royal for 2005 are living and bedroom slideout trim that features a hardwood upper fascia with dentil mold trim. Large crown molding forms a lighted shelf - the ideal place for treasures and mementoes. Also standard are a ceiling fan, ultra-plush nylon 50-ounce trackless patterned carpeting and magnificently coordinated decor with nickel plated lamps, an entertainment center, four plushly padded dining chairs with Queen Anne legs. Cathedral style overhead cabinet doors, some with baroque and bottle glass doors leaded with pewter trim are standard in the Royal.

Choose from three different cabinet/accent hardwoods: standard oak, optional natural maple, or maple with cherry stain. Molded solid surface countertops are coordinated with the wood color.

Royal also features corbel blocks at the top side of elegantly carved slideout columns that add interest and elegance to an already stunning room.

Rear Living Room

Rear Lounge

Rear Dining Room

You're bound to love one of our three valance options for 2005: designer all fabric valances and sideboards, which are standard in the Experience and Grand lines only. The combination fabric valances and sideboards with engraved hardwood

trim are standard in a Royal and optional in the Grand and Experience models. All wood valances and sideboards are only available as an optional feature in all 3 product lines. Functional, attractive day/night pleated shades complete the look.

Model - 39' Frontier XT3 Royal with Moonshadow decor and oak cabinetry

All wood valance and sideboards optional all models

All fabric valance and sideboards standard Grand and Experience
