

Model - 39' Frontier XT3 Grand with Vintage Rose decor, cabinetry optional maple with cherry stain and valances optional wood and fabric

Optional built-in clock stereo CD player

The livin' is easy in a spacious, luxurious Grand Teton. Show your style preference with a choice of leather or traditional reclining lounge chairs in a choice of decor colors. Amenities include an optional coffee table and end tables, *nickel-plated lamps*, *beautiful 45-ounce plush carpeting*, and much more (see pages 18 & 19 for a complete list). A new optional bedroom radio (upper right) delivers beautiful sound for your listening pleasure. Adjoining the bedroom in Grand's LevelOne suite is a large 38" x 38" radius shower stall with glass and brushed nickel doors. The lavatory has a solid surface countertop with an integrated sink.

Decor - Vintage Rose

A separate toilet room adds convenience and lets two people use bathroom facilities at the same time. **Available on all Teton's is an optional padded easy-clean vinyl ceiling for excellent noise abatement.**

At the touch of a button, this standard hydraulic jack quickly levels your Teton.

36" tall baggage doors.

This 39' Frontier XT3 Grand features 36" baggage doors that conceal a huge storage compartment. The gleaming white fiberglass exterior is highlighted by graphics in luxor brown, light taupe, canyon red and black cherry with matching awnings
