

Royal LIVE LIKE ROYALTY.

This is the place to come home to. Royal 2006 is incredibly beautiful, thanks to impeccable fit and finish throughout. Notice the carefully crafted wood-trimmed window treatments, superb lighting, engraved wood detailing, the mirrored kitchen backsplash and classy new complimentary color bands along the front edge of solid surface counters and on the optional kitchen island. The 39' Cheyenne XT4 bedroom has a spacious mirrored closet and wardrobe wall with a handy pull-out drawer for makeup, crafts, or a computer. It's all simply gorgeous, but Teton has a practical side, too. Our solid craftsmanship is flawless where you don't see it: inside cabinets and under sinks. You'll find superb fit in smooth-operating drawers and slideouts, firm cabinet closures, plush long-wearing furniture. . . everywhere. A washable duvet protects a down comforter in the bedroom. Storage is terrific with a huge kitchen pantry and cabinets in virtually every available location. Durable carpeting is 50 oz. continuous filament trackless nylon. There are even standard automatic lights in the washer/dryer compartment!

39' Cheyenne XT4 Ltd Royal features maple wood with cherry stain and Kahlua decor.

French provincial dining chairs, stunning wood trim on slideouts, unique window treatments, decorative baroque glass cabinet inserts and elegant, truly comfortable furniture. . . a winning combination!

Three In One Floor Plans

Make your home as unique as you are by rearranging the furniture to suit your mood, the view or your evening entertainment plans. Your Teton facilitates the way you choose to live. . . not the other way around.

Teton's optional LCD Space Saver TV flips up to reveal a surprisingly large storage compartment that's perfect for CDs, DVDs, even valuables.

Gas springs smoothly raise the bed to reveal a large storage area. There's even storage behind the swing-out bedroom TV.

40' Reliance XT4 LTD in Champagne Beige with graphics in Black Gold, Dark Cherry and Mocha. Interior bedroom is 6'7" and a 40" storage compartment is tucked under the bedroom suite

Operate your large optional awning with a Weather Pro remote control. An automatic sensor closes the awning in gusty winds.

New 40" tall luggage doors
