

2006 Teton Standard Features and Customer Comparison Check List

Features	Customer Value	Teton	Others
CONSTRUCTION			
Convection attic ventilation system	Eliminates condensation, deterioration and helps maintain even temperatures.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Felt-backed vinyl poly film roof membrane	12 year manufacturers warranty against leaks and won't chalk, fade, mildew or discolor like the EPDM rubber roof.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Extra large opposing slide-outs (see floor plans)	Creates spacious great-room designs. Dining slide-outs have flush floors.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Rear bay window available in most floor plans	Offers more light, makes the room feel larger and offers a panoramic view. The first and still the best. Available with an optional full width rear bay window awning.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
All kitchen slide-outs designed with the hidden slide-out residential look	The kitchens are built into the slide-outs, leaving more floor space, giving you a residential look.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Vacu-bonded laminated wood framed sidewall construction	Better insulation value. It's stronger, more solid, lighter and more moisture proof than other framed walls.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
All-weather design	Livable 365 days a year, great for full timers.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
All holding and water tanks are in a heated space (available arctic package for sub zero weather)	Helps protect against freeze-up. Clog free tanks.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
All models are 102" wide body	Allows maximum spacious floor plan designs.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Hydraulic front jack legs located at outside perimeter	Fast acting, rugged, system providing maximum stability; 10,000-lb total rated capacity.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
4 point hydraulic leveling system with hand held pendant control	Quick, convenient and reliable to level your coach and for hooking up to your truck	<input checked="" type="checkbox"/>	<input type="checkbox"/>
No pin jack leg system	No more kneeling down or bending over to unpin and repin your jack legs	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Hydraulic slide-out mechanisms with dual cylinders on the XL slideouts w/independent room control	Faster, quieter, smoother with a manual override and a much better seal than brands with single cylinders.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Kitchen slide-out floors are insulated with a high density foam insulation.	Makes it easier to heat and cool and eliminates condensation problems.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
EXTERIOR			
Dual-pane insulated window with GL20 tint (tint optional on Experience)	Cuts down on ultra violet and infra red sun rays. Keeps your home cooler in summer, warmer in winter and you don't have to store your storm windows. No exposed screws for better appearance.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
LED clearance lights	Long lasting, 20,000 hours of service, brighter, uses less electricity	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Gel-coated roof eave caps joining the roof membrane to the gel-coated siding.	Easy maintenance, smooth sleek looking contoured molded component parts resist scrapes from branches and has no wrinkles, bubbles or flaws.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Extra thick gel-coated 78" entry door with aluminum framed oversized window with rotary cam lock	Easier, safer access, finish matches siding and won't fade or discolor, flush trim ring design with no exposed exterior screws, easy to open and close and is weather tight when closed.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Heavy duty gel-coated baggage doors with gas shocks and adjustable lever latches.	Easier, safer access, finish matches siding and won't fade or discolor.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Wide track chassis	Stronger, lighter with superior handling characteristics	<input checked="" type="checkbox"/>	<input type="checkbox"/>
3-3/8" x 12-1/4" forward self adjusting brakes with E-Z lube bearing	Better stopping performance, safer and requires less maintenance.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Teton's® Big & Tall Storage® offers full width, full height, flush floor, flow through, extra large basement storage with oversized doors	Largest, tallest unobstructed storage capacities available. No plumbing, wiring or heat ducts in the way. Full height 40" tall luggage doors	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Large room exterior storage compartment up front for power cord and garden hose	Easy and handy storage for those bulky garden hoses and power cord plus other outdoor tools and items	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Spacious utilities connection compartment in a water proof gel coated fiberglass, lighted compartment with a bottom trap door	Complete with a wash-up hand held shower wand with hot and cold water, soap dispenser and paper towel holder, and has convenient park connections for telephone cable, satellite dish and even a high speed data port	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Detachable rear roof access ladder	Additional safety and security; does not obscure the panoramic view.	<input checked="" type="checkbox"/>	<input type="checkbox"/>
All graphics are painted — no vinyl graphics	Easier to clean, doesn't fade, won't peel, doesn't crack or yellow	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Hickory Springs big easy entry steps triple folding	2" deeper step tread makes entry and exit easier and safer	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Teton® the Number One Pick of the Stars

Teton Homes are the top choice of Movie Movers Transportation Equipment, Inc., the most respected designer and supplier of luxury equipment to the movie industry. While filming on location, top actors insist on Teton as their home away from home because our exceptional attention to detail and luxury appointments meet their exacting requirements.

Teton® Ranked Among Industry's Best

With all Teton's standard amenities, superior fit and finish and luxurious options, it's no wonder our units are the top choice of America's full-time RVers. Over the years, Teton has also been a consistent top choice among RV dealers. We've won numerous awards and top ratings in such categories as competitive product, innovative product design, and prompt service to managers and service technicians.
