

# Royal COMFORT ... IT DOESN'T GET ANY BETTER.

Storage surrounds the king size bed. Elegant triple mirrored doors (Reliance XT4) conceal a generous closet. The spacious 38" x 38" corner tub has glass doors.

It's lovely. Versatile. Marvelously comfortable. You'll appreciate **everything** about your Teton home, including (at right) the in-island wastebasket, fluted columns and carved corbel blocks on solid wood slideout trim, and the incredible sound from our wall-mounted radio/CD player combination.

40' Reliance XT4 Ltd Royal shown with Zinfandel decor; wood trim and cabinetry is maple with cherry stain.

Below are Teton's three totally new Royal exteriors with full body paint protected by high gloss clear coat for outstanding eye appeal on or off the road. Color schemes are, left to right: Champagne Beige, Silver Mist, and Cashmere Gold.

Champagne Beige with Black Gold, Dark Cherry and Mocha graphics.

Silver Mist with Black Gold, Charcoal and Dark Cherry graphics.

Cashmere Gold with Light Gold, Walnut and Black Gold graphics.
