

33' Sunrise XT3 with oak cabinetry and Cashmere decor

Large, comfortable residential recliners and a hide-a-bed sofa make Teton living rooms sensational places to relax. Eight-foot ceilings (6'7" in bedroom and bath) add a remarkably spacious feel. Wonderfully quiet heating and cooling systems won't disrupt your conversations, TV program or nap. Amenities include five ceiling-mounted speakers in the living room and beautiful kitchens with 15 or more drawers that are 24" deep for outstanding storage space. The stove and extra deep one piece

solid surface sinks have solid surface covers that virtually double counter space. Black kitchen counters are standard in Kahlua and Sand Castle decor styles when natural maple cabinets are ordered. There's even an optional decor-matched rug available for use in kitchen or bath.

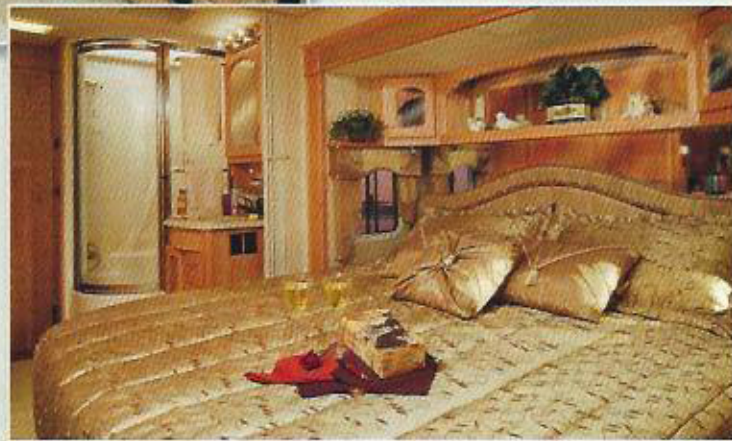

36' Liberty XT3 with oak cabinetry and Bel Air decor

Optional built-in wine cooler in the living room end of the island base cabinet

Bel Air decor in the bedroom at right features matching headboard, shams, bedspread and throw pillows. Mirrored storage and windows surround the bed. The wardrobe wall (lower right photos) has a pull-out tray drawer that can be used for a computer or flipped up to reveal a mirrored makeup area.

Choose the window treatment that suits your style! Left to right: fabric valance and trim, fabric with wood side trim and valance: solid wood valance and fluted sides. All have pleated shades.
