

# Royal

## ... OUTSTANDING ELEGANCE

This is the fifth wheel of your dreams! Its outstanding collection of exclusive Teton amenities provides the style and luxury you're accustomed to... and then some. This Royal Aspen model features our Venetian decor package – one of three great new looks.

The Royal Aspen offers a beautiful rear entertainment center with a standard pop-up 45" Sharp Aquos® LCD HD TV and a cozy optional electric fireplace and you'll find there's not a bad seat in the house for watching your favorite programs.

In addition to concealing our 45" Sharp Aquos® LCD HD TV, the Aspen's rear entertainment center provides storage cabinets with Baroque glass doors and an optional fireplace which includes the porcelain tile floor hearth. When it's time to watch television, simply press a button and the TV raises up to viewing position. When you're finished watching, the TV lowers back behind the fireplace.

40' Aspen Royal XT3 LTD features Venetian decor including maple wood with cherry stain and optional granite counter tops

Teton's convenient heated exterior water control center with hot and cold running water, hand soap dispenser and paper towel rack.

Operate your large optional awning with a Weather Pro remote control. An automatic sensor closes the awning in gusty winds.

40' Reliance XT4 LTD in Champagne Beige with graphics in Black Gold, Dark Cherry and Mocha. Interior bedroom is 6'7" and a 40" storage compartment is tucked under the bedroom suite

New 40" tall luggage doors

A 17' living/dining slideout holds a freestanding dinette with an expanding leaf and two recliners in optional ultra leather. Directly across the room is a comfortable hide-a-bed sofa and an optional coffee table. Notice the flawless fit and finish on the cabinetry, windows and slideout trim. No other RV offers more luxuries or greater comfort than Teton Royal.

Just inside the entry door (most models), a new mirrored closet is ideal for jackets, hats and more. Removable shelves let you arrange it your way.

This 26" x 54" sculptured area rug (optional in Experience) matches the

Teton decor and is a beautiful addition at the entryway and in front of the kitchen sink.
