The Christmas, New Year celebrations are past and it is time to look towards the remainder of the year. Hope you had a joyous and wonderful holiday season. Some of our members were traveling and attending football games and others were visiting family and friends. Many of us gathered around our family tables and share time with the children and other family members. This year there are three wonderful rallies to attend. Dale and Lynn Spillers are rally masters for the East rally in Columbus Missouri in April; Gary and Margaret Woods are the rally masters for the West rally in Anacortes Washington in June and Bobbie and Pete Stifle are the rally masters for the International rally in Las Cruces New Mexico in October. These are great times to share fellowship with other TCI members and guests. Try to make the trip to one of the rallies close to you. Y’all will have fun and possibly get to see and visit new country while traveling.

I mentioned last newsletter that membership is a subject of great concern. As our members and coaches age the membership of the club is impacted. Any and all thoughts are accepted about the future of our club. You can contact me or other board members with your ideas.

Stephanie Engel #316, Sec/Treas.
Greetings from Clermont, Florida where Bob and I spend the winter. I hope everyone had a pleasant, safe holiday season and that all our members could escape the rough weather conditions that raced across the country recently.

It has been awhile since you’ve had a report from me. That’s because I have received no intel from our members over the past several months regarding fellow Tetoners who are facing health issues or the loss of a loved one. I’m not been on Facebook, so Sunshine Corner relies exclusively on member email or phone communication. If you know that one of our members could use a little cheering up due to illness, injury or loss, please contact me at njdottie@gmail.com and I will send a card on behalf of our Teton family of friends.

Take care everyone! Springtime is right around the corner, bringing increased opportunity for travel and fellowship. We hope to see you on down the road, particularly at one of our TCI 2017 rallies. That’s a great way to stay in touch and have some fun as well!

Join us October 1-7 (7 nights), 2017, in Las Cruces, NM, at Hacienda RV and Rally Resort, with great views of the Organ Mountains. Las Cruces is quickly becoming a popular southwestern destination. The location intersects Interstates 10 and 25 bringing visitors into contact with spectacular views and photo opportunities, unique special events, world-class Mexican food, historic attractions and three national monuments – Organ Mountain Desert Peaks, White Sands National Monument, and the Prehistoric Track Ways National Monument – all located less than an hour away! The city is a blend of unique attractions, culture, historical sites, and superb year-round weather with 320 days of sunshine per year!

Our “main event” will be a full moon evening at White Sands National Monument on Thursday, October 5. We will caravan there and then have time to go through the visitors’ center, have a picnic, ride saucers down the sand dunes, take the sunset stroll, and then have a typical Teton party at the live concert while watching the moon rise, lighting up the dunes.

We look forward to seeing you there! It will be another rally to remember!

The newsletter is published quarterly in February, May, August, and November. Deadline for articles is the 20th of the month preceding publication. All letters, articles, art, and photographs are subject to editing, alteration, or may be condensed.

Please email all articles to: Laura Schrock #1407, Editor Beauxsmomma@msn.com

Editorial Philosophy

We are a Family of Friends, dedicated to the promotion and enjoyment of our Teton or Continental Coach RVs and the camaraderie of our members. Reflecting this, the newsletter is looking for positive and upbeat articles that we would be proud to share with everyone, including our children. There will be no profanity or “off-color” articles in the newsletter: anything that needs to be said can be said in an adult manner. While we encourage technical articles that point out problems and offer solutions, we will not print negative articles that directly attack TCI, its Members, or Forks RV.

The newsletter doesn’t accept advertising but will print notices of sale for a club member’s Teton trailer and/or tow vehicle. Following TCI Board guidelines: sale notices will be brief, including member name, and TCI number; vehicle/trailer make, model and age; a few descriptive words; and the member’s phone number and/or address.

**Thousand Trails Membership Available**

We are passing along our Alliance Thousand Trails/NACO membership. We have had it for several years and it has been very economical, especially for staying in FL during the winter.

The membership allows you to stay at any TT preserve nationwide for up to 14 consecutive days. You can then move directly to another TT park for up to 14 days. Members who want an economical way to stay in FL for the winter stay at the Clermont TT for two weeks, then move to the Peace River TT for 2 weeks then back to Clermont, and so forth.

Your membership includes 50 nights at no charge and all additional nights $5.00/night. To buy a TT membership you could go to one of their preserves, listen to a 3 hour presentation and pay up to $15,000 plus annual dues of about $600 annually. But don't do that. Buy it on the secondary market like we did.

We bought it from friends, so we got a good deal and are happy to pass that on. We are asking $200. In addition you will have to pay about $1,000.00 directly to Thousand Trails to transfer. The annual dues will be about $600. We have heard that transfer fee may be negotiable.

I'm sure you have lots of questions so please ask and we can see if this will work for you. Thousand Trails (see website: www.thousandtrails.com) is very good about giving specific information, so you can call TT with our membership number and they will tell you anything you want to know.
