A Message from the President

"Greatness is not in where we stand, but in what direction we are moving. We must sail sometimes with the wind and sometimes against it—but sail we must and not drift nor lie at anchor." (Oliver Wendell Holmes)

As we are all aware, our manufacturer went out of business in 2008. Members and your Board sought ways to maintain and increase membership during these subsequent years. Bi-laws were changed which allowed current Teton members and former Teton members to remain or reinstate membership with other brand RV's.

Recently, an affiliation was signed with Forks RV, a custom coach manufacturer who has offered repair services for our coaches and will support our membership at our rallies while TCI will afford their Continental Coach owners full membership and voting rights into the TCI Club. At the 2013 Rally in Palm Desert, Ca., Forks RV joined with Rally participants and provided a seminar and insight into their organization while fielding a myriad of questions from TCI members; offered service as needed to our RV owners and further supported this Rally by supplying, helping set up and cooking a picnic dinner. Mike Butler, sales (formerly with Mor/ryde), and Eric Hapner, applications engineer, were certainly not bashful in their impromptu when called upon for the TCI Celebrity Walk. Forks also provided an opportunity to receive numerous gifts with the grand prize being a chit for \$250 of servicing at their Shipshewana, Indiana facility won by Tudy and Jake Jacobson #1041. Yes, our Club is moving forward in a positive way, and this year we gained 24 new members and 6 re-joins.

In the following pages of this Newsletter, you will read highlights of the various events of this year's Rally submitted by Rally correspondents. Yes, putting on such a Rally can be quite challenging but very rewarding when you reap the outcome to our "Family of Friends. The laughs alone made this Rally a formidable success.

(Continued from page 1, President's Message)

We need to realize and enact any updates or additions to various areas of the Club as it may relate to our affiliation with Forks RV as well as send invitations to Continental Coach owners to join TCI, a draw of approximately 125 owners. Yes, we will be busy, and we must have a concerted effort and harmonious working relationship from all members to accomplish these matters for the continued growth of our Club in offering the wonderful fellowship and support for our "Family of Friends" together with the fun we all seek and have enjoyed throughout the years.

. Four years of sunshine and smiles have been bestowed upon our many Club members in their hour of need by our Sunshine Chair, Karen Cole #1504; while moving on, Karen found her replacement in Sherry Cox, and we have filled the open position of Historian in another excellent appointment, Tudy Jacobson #1041welcome aboard to both ladies. And finally, aside from all nitty-gritty matters, our Club's 25th Anniversary Rally in Nashville, Tn. as well as the highlighted Regional rallies are within the horizon; so, with all said I look for this to be one bang up year for all to hoot about.

In closing, remember: "Obstacles are only those frightful things you see when you take your eyes off the goal" (Henry Ford). With that my friends, I bid all a wonderful holiday season and safe travels wherever you may journey.

LaVerne Thomas, President, 1213

First Time Ralliers

This was our first rally and opportunity to meet other Teton owners. We had a great week filled of laughs, good food and information. Forks RV was really good providing tips, tricks, and suggestions. Special thanks goes to LaVerne for a well done job making sure everyone had a good time and was well looked after. We really felt welcomed and are eagerly anticipating the next rally.

Tech Tip

"Big Foot" Levelers

Fifth Wheel Reprogramming (Six Easy Steps)

- 1) With two front levelers on the ground turn panel on. Wait for the lights to stop circling.
- 2) After lights stop, press the "rear" button (10) ten times . At this time all the lights will start to flash on the panel.
- 3) You are now able to manually level the unit by pressing each individual button. Example- (Front=Right front) (Right= Right rear) (Rear=Left Rear) (Left= Left Front)
- 4) When the unit is level press Retract (3) three times. This will store the new setting as level.
- 5) After pressing Retract (3) three times, let the Air Dump Light stop blinking. At this point the system is now programmed.
- 6) You will now be able to operate your system as normal.

FORKS RV – CONTINENTAL COACH

Five representatives from Forks RV, Shipshewana IN were present and involved with us during the rally. Two technicians serviced, at no charge, six units with problems from roof caulking to kitchen drawers. Forks RV is also expanding their facilities in Indiana to accommodate club members using the factory facilities for repair work.

Jay Troyer, Director of Sales and Marketing, presented the company, their products and construction procedures. Forks RV specializes in Living Quarters, Horse Trailers and Specialty Commercial Vehicles as well as Custom Luxury 5th Wheels. TCI has made an agreement to be the owners club for Forks RV in addition to the current TCI membership.

Forks RV started in 1991 making custom specialty coaches such as Command Centers for local cities and the Coast Guard. This is still 50% of the company's business with custom 5th wheels making up the other half. Since 2008, Forks RV has produced 125 Continental Coaches with 2/3s of them going to the European market. Currently, they are producing 35-40 custom units per month.

Forks RV has now expanded the marketing of Continental Coaches to the US market offering four models of custom coaches in lengths from 33' to 43' with weights up to 28,000#. There is a 4-5 month turnaround time for each coach. Check the company web site for further information on their custom products, www.forksrv.com/continental. Larry Hall, #912

Country Blues Dinner Dance

The first social event of the rally was the Country Blues Dinner Dance – it was a great way to start out the week. Happy hour, complete with sarsaparillas, beer and wine to drink, preceded the dinner dance at the resort's main club house. Although the event was open to anyone staying in the park, the Teton club filled more tables than anyone else and definitely had more fun than anyone else! When the dinner was served, it didn't take us long to get up and enjoy the meal so we could get on with the dancing. Pete and Bobbie were the first up to set the pace, and others soon followed, dancing to the music of the cowboy singer. It was a perfect opportunity to enjoy renewing acquaintances and getting to know new friends!

A Gem of a Rally in a Gem of a Park

The 2013 international rally was held in Palm Desert, California, at beautiful Emerald Desert RV Resort. The resort really lived up to it's precious gem of a name. We were welcomed cheerfully and treated royally during our week-long rally.

Emerald Desert is a lovely park with all the amenities you could want, including two swimming pools and spas, a large party facility, a number of smaller club houses, a library, tennis court, workout room, dog park and more. There were many activities, outside of our own club activities, which we were invited to participate in, including a Veterans' Day parade, a very touching flag ceremony with a wonderful young bugler, followed by a social gathering!

The personnel, from G.M. Leslie Marr, to head concierge, Sheila, and group concierge, Tiffany, made our activities flow seamlessly. Shawna, the lifestyle director, treated us like guests in her own home, joining in activities and making sure the food and drinks were in plentiful supply. Cruz and his maintenance crew worked overtime finishing the refurbishing of our club house just in time for our first gathering, planting fresh flowers and caring for the beautifully manicured gardens and lawn. I think they even special ordered the weather which was gorgeous all week long.

Tudy & Jake Jacobson, #1041

"Reach Out to the Stars"

Party

In keeping with the 2013 TCI rally's "Reach Out to the Stars" theme, we attended a "Star Party" on Saturday night. On designated evenings, amateur astronomers set up their telescopes and invite people to observe the various objects in the sky and learn about them from volunteers. We had a reasonably clear night for our outing, so armed with jackets and lawn chairs, we headed a short distance up the nearby Pines to Palms Highway 74 to the [Santa Rosa and San Jacinto Mountains National Monument Visitor Center](#). We looked at some constellations, learned about star clusters, and saw the moon up close and personal. Boy, was it ever bright! Why was it so bright, because it was so dark in the mountains and the sky was so clear! The astronomers asked that we not use our flashlights so we wore lighted wristbands and some wore headbands to showoff their location in the dark.

Fabulous Follies

On Wednesday, Nov.13th the group met in downtown Palm Springs at 12:15 under Marilyn Monroe's skirt for a group picture. We then had an hour of free time before we went to the Historic Plaza Theatre to see "The Last Hurrah!" of the "Fabulous Follies". It is the final season of the show that started 23 years ago. We had great seats and saw an absolutely fantastic performance of song and dance. The show is very unique in that all of the performers are 50+ years old with the majority in their 60's and 70's. One gentleman was even 84 years young. Their singing and dancing was amazing to watch. Each year the show features a headliner. We were fortunate to see Susan Anton. She is still very beautiful and still has a strong voice at 63. The comedian, ventriloquist Brad Cummings also entertained us with his prehistoric sidekick "Rex". A good time was enjoyed by all.

An Evening with the Stars

No trip to Southern California would be complete without an evening with the Stars. This included a red carpet evening with famous people in abundance. Some of the evening's stars were Dolly Parton, JR Ewing, Groucho Marx, the Lone Ranger, Hugh Hefner and his favorite playboy bunny, John Travolta and Olivia Newton-John, and Minnie Pearl ---- in triplicate. Can you say, "how-dy, how-dy, how-dy"? The evening belonged to Dolly (for two reasons) and Hugh (who couldn't keep his hands off the tail of his bunny). No one will ever know all of the juicy stories that came out of that night!

The Mystery Dinner

The clues are clear LaVerne is guilty!

The mystery dinner theatre started off with a strong turn out of rally members. The clues were very clear after careful explanation, but with first review were often a challenge. After a spirited round the room finger pointing, everyone submitted their verdict of the clues. There were a large group of participants named and called up for not having a clue for their answers. Margaret Wood was awarded the coveted trophy of the "Hammer of Justice" award for the accurate and correct understanding of the lengthy and hard to connect evidence. The whole group had an excellent time working with the investigators to "trust no one" in the search for the killer. We were all relieved to have the evidence clearly point to our rally leader LaVerne!

FAREWELL DINNER AND DANCE

As we all know, everything must come to an end at some point; for all those at the Rally that came on Thursday evening with a fantastic Dinner Dance Party.

Thursday was a yellow night with everyone wearing something yellow and everything on the dinner menu either had yellow in it or you could put lemon on to spice it up some. Food could not have been any better. The Complimentary Bar was frequented often by many and the Emerald Dessert staff was very cordial. Of course you know that none of the food had any calories, HA HA!

The 60's Radio Band came and played many tunes that we hadn't heard in a long time, they brought back memories from our earlier years. Their music was great for all in attendance and especially those that were on the dance floor kicking up their heels. No injuries were incurred by humans performing at this event. At least none were reported.

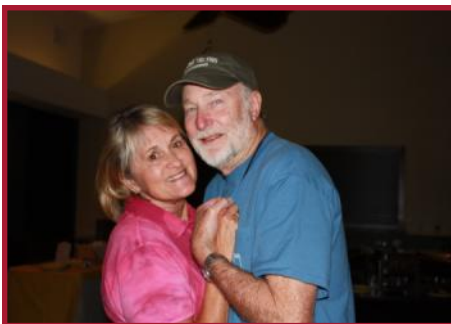

Everyone went away that night with many memories that will stay with us for a long time.

One last note we'd like to add is a BIG THANKS to LaVerne for all the hard work she did to make sure everyone had a great time – THANKS also to Sharon for all she did to help. It was a very good Rally. THANKS LADIES!

The Friendship Basket was presented to Neil and Karen Cole #1504 by last year's recipients Earl and Jo Faught #1253. The Friendship Basket, a tradition in the Club, is passed each year to a member who has made a contribution of service to our Family of Friends. Earl and Jo prepared the lovely basket with regional goodies from their home base of Riverside, CA.

Teton Club International joins Facebook

TCI joins the 21st Century and invites all members to share their location and travels with other members in "Family of Friends". During the 2013 TCI Rally in Palm Desert, CA a wonderfully creative group of Teton Club International members' shared their thoughts and expertise. Two volunteers stepped forward to help us begin to use social media to promote club activities and share our locations while we are on the road or at home (where ever that may be). Jeanie Wilby #1450 and Bobbie Stifle #1478 setup a closed Facebook page and you may be invited to join "If You have a Facebook Account". There will be four administrators: Jeanie Wilby #1450, Bobbie Stifle #1478, Sherry Cox #892, and Sharon Grooms #1213.

If you have a Facebook account and wish to join, contact one of us to begin the process of becoming a member of the TCI Facebook page.

We want to say "Welcome TCI friends"!!

OPEN FORUM

November 14, 2013

Jeanie Wilby offered to set up a section for TCI members on her Facebook page. Bobbie Stifle offered to help her administer the page.

LaVerne Thomas said that the club's first few months using Pay Pal for the payment of dues has gone smoothly, and that most of the newest members paid their dues by that method. However, of course, it does cost the club \$0.30 per transaction, plus 2.9% of the fee collected. Which is a total of \$1.03, so the clubs net is \$23.97 for dues paid thru PayPal. She asked for opinions from the members as to how to be fair to those who pay by check instead. That is, should an additional fee be charged to those who pay via Pay Pal, or should the club absorb that expense? The consensus of those attending the rally was that those who use it should pay for it. La Verne plans to revisit this issue during the coming year.

Jeanie Wilby announced that \$311 was collected for the selected charity, Warriors for Christ, the street ministry of the pastor who conducted our worship service on Sunday.

Tom Wilby is making copies of a CD of photographs from the rally for us.

Information on the 2014 rallies was announced: The East Region's rally will be at Stone Mountain, GA from April 29 to May 3; the Southwest Region will meet in Las Cruces, NM from May 12-19; and the 25th International rally will be in Nashville, TN from Sept. 30 to October 6. The Northwest Region has no rally master for 2014.

Neil Cole discussed a new method to correct the problem some rigs have had with the kitchen slide-out gouging the floor; he will see if he can get enough details to submit an article on the subject for the newsletter.

There was considerable discussion about the inactive Forum on the TCI website, which was last used in September 2013. Peter Greig stated that he would like to see that be reinstated, as long as additional security is created. Sharon Grooms suggested that we consider having a second person administer the Forum, rather than add to the workload of the webmaster. Peter will discuss this issue with the webmaster. Jeanie asked about the costs associated with the Forum, and they should be minimal. Once the Forum is up and running, we will need to try to divert the Yahoo group so all such posts will end up in the same place.

LaVerne suggested that we revise the Teton Song to include Continental Custom Coaches. Carl & Juanita Vincent, the originators, should be consulted.

Sunshine Corner

Since the last newsletter, I sent a sympathy card to Paul Twitchell #1551 after his good friend passed away, causing Paul to miss the TCI rally. I also sent get well cards on behalf of the club to the following people: Sharon and John Martin #949 (she had surgery, and he hadn't been feeling well either), Bob Presson #649 (surgery), Peter Greig #789 (pneumonia), Sherry Bloomer #606 (skin cancer), Eleanor Hall #912 (hospital stay), Sandy Lovegren #1216 (broken shoulder), and Larry Mills #893 (badly burned leg). I hope all of you are feeling much better by now.

This is my last column as Sunshine Chairman. I have thoroughly enjoyed this "job" for the past four years, but it's time to let someone else take over. That someone is Sherry Cox #892, so please help her by letting her know whenever you hear of someone who could use a little sunshine. She can be reached by phone at (559) 288-8138 or by email at jscox310@aol.com.

Submit Articles

The newsletter is published quarterly in **February, May, August, and November**. **Deadline for articles is the 20th of the month preceding publication.** All letters, articles, art, and photographs are subject to editing, alteration, or may be condensed.

Please email all articles to: **Laura Schrock #1407, Editor** Beauxsmomma@msn.com

Editorial Philosophy

We are a **Family of Friends**, dedicated to the promotion and enjoyment of our **Teton** RVs and the camaraderie of our members. Reflecting this, the newsletter is looking for positive and upbeat articles that we would be proud to share with anyone, including our children. There will be no profanity or "off-color" articles in the newsletter. Anything that needs to be said can be said in an adult manner. We do not discriminate against any person, RV or truck.

While we encourage technical articles that point out problems and offer solutions, we will not print negative articles that directly attack **TCI**, its **Members**, or **Teton Homes**.

The newsletter accepts no advertising but will print notices of sale for a club member's **Teton** trailer and/or tow vehicle. Following **TCI** Board guidelines, sale notices will be brief, including member name and **TCI** number; vehicle/trailer make, model and age; a few descriptive words, and the member's phone number and/or address.
